Independent Medical Transcription, Inc. (IMT), got its start in Seattle, Washington, in the year 1994. Our corporation president, Gerri Newman, entered the medical field as a solo transcriptionist for a single physician's office, working under the name "Executive Assistance."

Independent Medical Transcription, Inc. - Your IME Experts

An independent medical evaluation (IME) is a common report that you will see in medical transcription. An IME is a comprehensive review of a patient's medical history performed by a physician not previously involved in the patient's care. IMEs are usually performed for a legal purpose, such as assessing eligibility for workers' compensation or disability benefits or for
