Occupational Therapy Notes Documentation

Crafting the Ideal OT Note. OT practitioners spend lots of time on documentation. Our notes help us track patients' progress, communicate with other healthcare providers, and defend our rationale for our treatment choices. Documentation is a key factor in our patients' well-being during their continuum of care.

No one gets into occupational therapy for the progress notes. You don't get paid for documentation time. And it can be difficult to see how writing notes connects with your main focus of helping people and seeing them reach their potential. But progress notes are an important part of serving patients effectively.

SOAP Notes for Occupational Therapy - Fusion Web Clinic

The official document, based on the Framework, describes the components and purpose of professional documentation used in occupational therapy. AOTA advocates for fair coverage and payment policies for occupational therapy practitioners by public and private health insurers and organizations that provide referrals to—and payment for—occupational therapy services.
