Richard Nixon And The Rise

Richard Nixon: the rise and fall of an American president. In the annals of political scandals, one name stands above all others: Watergate. Writing in BBC History Revealed, Nige Tassell reveals how this botched burglary turned Richard Nixon from one-time darling of American politics into one of the least-popular US presidents of the 20th century.

Richard Nixon: The Rise And Fall Of An American President ...

In November 1973, Nixon appeared on television to inform Americans that energy had become “a serious national problem” and that the United States was “heading toward the most acute shortages of energy since World War II.” 27 The previous month Arab members of the Organization of the Petroleum Exporting Countries (OPEC), a cartel of the world’s leading oil producers, embargoed oil exports to the United States in retaliation for American intervention in the Middle East. The embargo ...
