It could, they thought, shine light on one of Freud's ideas, that some people have a "death wish," and that some suicides are purely impulsive, absent any sign of depression or even sadness.

That weird urge to jump off a bridge, explained

The first definition of "church" in modern English dictionaries is something like, "a building for Christian worship," and it is only the second or third definition that says something like, "a body of Christians," or "the collective body of Christians." In the Bible, however, the word "church" never refers to a building, but always to people; specific groups of people.
